

Participation Agreement

Thank you for your participation in the Project RIDE program.

The following are our participation policies:

1. Project RIDE is a tricycle loaner program. At a determined time when your child is too big for the tricycle it is expected that you return the tricycle to Jewish Community Center in a an operable condition.
2. We require an annual \$25 fee to cover administrative costs.
3. Your child's safety is of utmost importance. Your child must always wear their helmet when riding. Please keep the tires properly inflated. If you require assistance in bike maintenance, for example, your child has grown in height or weight, please contact us to make any adjustments.
4. The purpose of the program is to provide tricycles to families who cannot afford to buy the tricycle on their own. At any time you can purchase the tricycle for \$400.
5. No structural changes or modifications can be made to the tricycle.
6. Each spring the tricycle will need to be brought to the JCC in Springfield for annual maintenance. If you fail to do so, we will ask for the trike back, or bill you \$400 for the tricycle.
