JCC Maccabi - What you need From Your Teens for the Registration Process

In order to participate in JCC Maccabi, **all** athletes and artists must submit documents and information as they pertain to their age, medical insurance, as well as medical eligibility.

Participants will be asked to scan and upload the following documents during their online registration. It is important that you communicate to your families that these items will be needed to ensure a seamless registration process.

As a reminder, should you wish to do so, these documents can be collected and uploaded to the system by yourself and your local JCC Maccabi team via the back end- the JCCA team will be hosting webinars to provide you the tools to be able to do so.
